Launch of BPUT Hackathon 2025 – Call for Participation

In recognition of the remarkable response and outcome of BPUT Hackathon 2024, the Biju Patnaik University of Technology, Odisha is pleased to announce the launch of BPUT Hackathon 2025. This flagship innovation challenge is aimed at promoting a culture of creativity, critical thinking, and real-world problem-solving among students across all affiliated and constituent colleges of the University.

The BPUT Hackathon 2025 offers an exciting platform for students to collaborate in interdisciplinary teams, engage with current technical and societal issues, and present innovative solutions with potential for real-time impact. This initiative is part of the University's broader commitment to nurturing 21st-century skills and entrepreneurial spirit among its student community in alignment with the National Education Policy 2020.

All affiliated and constituent colleges are hereby directed to encourage maximum student participation across all departments and academic years by actively promoting the Hackathon within the institution.

Ensure wide publicity and awareness through college websites, notice boards, student forums, social media, and faculty-student communication networks, highlighting the objectives, benefits, and learning outcomes of participating in the event.

Provide institutional-level mentoring and guidance to participating teams in the preparation and development of innovative solutions.

Designate faculty coordinators to streamline communication and assist students during the various stages of the Hackathon.
