NOTICE

REC /EXAM / 71/26

Dates: 24.09.2026

The revised 1ST internal examination of 7TH SEMESTER, 5th SEMESTER (B.Tech) will be scheduled as per following programme.

BRANCH		26.09.26		26.09.26		28.09.26		28.09.26		
		11.30-12.30		3.30-4.30		11.30-12.30		3.30-4.30		
7 TH SEM CE		Prestressed Concrete		Project Management		Energy Conservation and Auditing		Robotics : Applications		
7 TH SEM CSE		Cyber Security and Cyber Laws		Fundamental Communication System		Data Science and Analytics		Cloud and Application Development		
7 TH SEM AIML		AI in Healthcare applications		Introduction to Robotics		Introduction to Wireless Communication		Cloud and Application Development		
7 TH SEM DS		Cyber Security and Cyber Laws		Introduction to Robotics		Introduction to Wireless Communication		Cloud and Application Development		
7 TH SEM ECE		VLSI Fabrication Technology		Project Management		Marketing Management		IOT Technologies and Applications		
7 TH SEM EE/EEE		Smart Grid Technology		Object Oriented Programming		Waste Management		Applied Deep Learning		
7 TH SEM ME		Introduction to Composite Materials		Renewable Energy Sources		Waste Management		Robotics :Application		
BRANCH	26.09.26		26.09.26		28.09.26		28.09.26		29.09.26	
	11.30-12.30		3.30-4.30		11.30-12.30		3.30-4.30		11.30-12.30	
EE/EEE 5 TH SEM	Control System	Power System - I		Microprocessor & Microcontroller		Electromagnetic field theory		Professional Ethics		Industrial Safety Engineering
CE 5 TH SEM	Design of RCC Structures	Transportation Engineering		Advanced Structural Analysis		Advanced Geotechnical Engineering		Business Management		Industrial Safety Engineering
ME 5 TH SEM	Design of Machine Elements - II	Heat Transfer		Metal Cutting & Machining		Production and Operation Management		Business Management		Industrial Safety Engineering
ECE 5 TH SEM	Digital Signal Processing	Electronics Measurement & Instrumentation		Microprocessor & Microcontroller		Wireless Communication		Professional Ethics		Industrial Safety Engineering
CSE 5 TH SEM	Theory of Computation	Operating Systems		Computer Network		Object Oriented Analysis and Design		Entrepreneurship Development		Environmental Engineering
CSE(AIML) 5 TH SEM	Database Engineering	Operating Systems		Machine Learning		Big Data Analytics		Entrepreneurship Development		Environmental Engineering
CSE(DS) 5 TH SEM	Data Mining and Data Warehouse	Operating Systems		Artificial Intelligence and Machine Learning		Computer Vision		Entrepreneurship Development		Environmental Engineering
CSE(IOT) 5 TH SEM	Internet of Things	Operating Systems		Computer Network		Artificial Intelligence and Machine Learning		Entrepreneurship Development		Environmental Engineering
